Dear Slip Holder:

The 2015 boating season is over and we are getting ready for 2016.

Every season we have some turnover of boat slip occupants, however, this year we ended up not filling all the slips until the end of the season, which resulted in a loss of revenue. As a result, the Village has decided to change the annual slip renewal process including when payments are due.

We will now require existing slip holders to complete and sign the Slip Permit Application, by December 31, 2015, and to remit full payment of fees no later than February 29, 2016. New slip holders will be required to accept a slip assignment, complete and sign the Slip Permit Application, and pay in full by January 31, 2016.

The current Marine Facilities Rules and Regulations remain in effect and all applicable penalties for violations of the Marine Facilities Rules and Regulations will be **strictly enforced**.

Very truly yours,

Boating Commission
