RE: Earth Day 2016

Dear Earth Day Volunteers:

On Saturday, April 16, 2016 the Incorporated Village of Bayville celebrated Earth Day. Earth Day is an annual event within our community in which residents volunteer to assist with various cleanup efforts throughout our Village and demonstrate support for environmental protection.

This year's community team effort was organized and led by the Bayville Environmental Conservation Commission. It included participation from members within the Bayville Chamber of Commerce, American Legion, Brownie Troop 20, Daisy Troop 132, Boy Scout Troop 176, and the Bayville-Centre Island Rotary.

I would like to express my appreciation for everyone's efforts.

Very truly yours,

Paul Rupp
Mayor
