**APPLICANT ACKNOWLEDGES THE FOLLOWING:**

1) ***NO*** demolition work can begin without an inspection of the property, including the exterior of all structures on the premises and grounds by a Nassau County Department of Health representative to determine if there is rodent activity. If rodent activity has been identified on the property, then extermination by a New York State licensed exterminator is required to prevent the spread of rodents throughout the neighborhood. No work can be started until extermination is complete.

2) Building(s) / structure(s) on this property must be intact and the land must remain in an unaltered state for the inspection to take place. If any work is done on the property that results in ground disturbance ***BEFORE*** the inspection takes place, then the inspection is deemed INVALID and the Rodent Free Certificate will not be issued by the Nassau County Department of Health.

3) The issued Rodent Free Certificate is ***valid for ten (10) days*** from the date of inspection of the property. Demolition of the building(s) and/or structure(s) on the premises **MUST** be completed within ten (10) days from the date of issuance of certification by the Department of Health.

**4) PENALTIES\***

Any person, firm or corporation that violates Nassau County Public Health Ordinance, Article VII, Section 13, by demolishing any building(s) and/or structure(s) on the above referenced property ***without*** obtaining a Rodent Free Certificate issued by the Nassau County Department of Health, **WILL** be subject to enforcement action by this Department.
