INTERMUNICIPAL COOPERATION AGREEMENT BETWEEN
THE VILLAGE OF BAYVILLE, NEW YORK AND
LOCUST VALLEY CENTRAL SCHOOL DISTRICT, NEW YORK

THIS AGREEMENT ("Agreement") made and entered as of July 1, 2024, by and between the VILLAGE OF BAYVILLE, a municipal corporation having its principal offices at 34 School Street, Bayville, New York 11709 (the "Village") and LOCUST VALLEY CENTRAL SCHOOL DISTRICT located at 22 Horse Hollow Road, Locust Valley, New York 11560 (the "School District").

WITNESSETH:

WHEREAS, it is in the best interests of the Village and the School District to share resources in the provision of health, safety and emergency services, as authorized by Article 5-G of the General Municipal Law of the State of New York (the "GML"); and

WHEREAS, each party hereto has certain resources, including equipment, buildings, materials, services, personnel and financing which may be available from time to time to provide health, safety and emergency services and

WHEREAS, it is possible to make such resources available for mutual use when it is in the public interest; and

WHEREAS, it is desirable for the Village and the School District to provide certain services in cooperation with one another ("Services") as authorized by the GML through this Agreement; and

WHEREAS, the Village and the School District anticipate that it may be necessary and desirable to enter into one or more further agreements ("Implementation Agreements") to identify and implement specific health, safety and emergency Services authorized by this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, the parties hereto do agree as follows:

Section 1. The Village and the School District each represent that they are respectively authorized, pursuant to both Article 9, §1 of the New York State Constitution and Article 5-G of the GML to enter into intergovernmental agreements to provide certain services.

Section 2. The Village and the School District, believing it to be in their respective best interests, do hereby authorize intermunicipal cooperation for certain Services consisting of, but not limited to: emergency sheltering, emergency response, heavy equipment loans and operation, snow and ice removal, emergency fuel supply, cooperative bidding, and other Services as deemed appropriate. The terms and conditions of these shared services are outlined in Appendix A, "Implementation Agreement."

Section 3. The Village and the School District agree that no Services may be provided pursuant to this Agreement prior to the parties hereto entering into one or more

Implementation Agreements identifying such Services in a form acceptable to each party. Services not included in Appendix A, "Implementation Agreement," will require signed Implementation Agreements prior to their implementation. All Implementation Agreements must be approved by the Village Board and the Board of Education, and must be executed by the Village Executive or his/her designee and the Board President or his/her designee.

Section 4. The Village or School District may provide the previously recited services as circumstance or situation require and both parties shall work cooperatively to provide such services in a timely manner as necessary for the particular situation.

Section 5. The Village and the School District hereby agree to work cooperatively in the provision of services, to accept full ownership, liability, and maintenance responsibilities as related to each service provided under this Agreement, and to grant Village and School District residents access to or use of such services for the duration of this Agreement, provided, however, that such use shall be subject to the District's policies and regulations governing the use of its facilities.

Section 6. Regardless of whether required by Law (as defined herein), the Village and the School District shall, and shall cause their agents to, conduct their activities in connection with this Agreement so as not to endanger or harm any person or property. The Village and the School District shall deliver services under this Agreement in a professional manner consistent with applicable best practices. The Village and the School District, as their respective roles in provision of such Services may require, shall ensure that all approvals, licenses, and certifications ("Approvals"), which are necessary or appropriate, are obtained.

Section 7. The Village and the School District shall comply with any and all federal, state and local Laws in connection with their performance under this Agreement. As used in this Agreement the word "Law" includes any and all Statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

Section 8. The Village and the School District shall each maintain and retain, for a period of six (6) years following the termination of this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to their individual performance under this Agreement. Such Records shall at all times be available for audit and inspection by the Village Comptroller, the Board of Education or any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

Section 9. (a) The Village and the School District shall each be responsible for and shall indemnify and hold one another, their officers, employees and agents ("Indemnified Parties") harmless from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Village or the School District or any agent of the Village or the School District in the distribution and provision of the services pursuant to this Agreement, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened

investigation, litigation or other proceeding or preparing a defense to or prosecuting the same, provided, however, that nothing hereunder shall obligate the Village or the School District or the Village or the School District's agents to indemnify or hold harmless the Indemnified Parties from and against any Losses arising from the negligence or willful misconduct of the Indemnified Parties.

(b) The Village and the School District shall, promptly and diligently defend, at the Village's and the School District's own risk and expense, any and all suits, actions, or proceeding which may be brought or instituted against one or more Indemnified Parties. The Village and the School District shall pay and satisfy any judgment, decree, loss or settlement in connection therewith, provided, however, that nothing hereunder shall obligate the Village or the School District or the Village's or the School District's agents to defend the Indemnified Parties from and against any and all suits, actions or proceedings arising from the negligence or willful misconduct of the Indemnified Parties.

(c) The Village and the School District shall, and shall cause its agents to cooperate with any investigation, audit, defense or prosecution of any action, suit or proceeding.

(d) The provisions of this Section shall survive the termination of this Agreement.

(e) The parties hereby agree that each party shall purchase its own general liability insurance to insure that the party is properly covered for the Intermunicipal Cooperative Agreement as described herein.

Section 10. Nothing contained herein shall be construed to create an employment or principal-agent relationship, or a partnership or joint venture, between the Village and the School District and any officer, employee, servant, agent or independent contractor of either party. Nor shall either party have the right, power or authority to obligate or bind the other party in any other manner whatsoever.

Section 11. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. Neither the Village nor the School District shall have any liability under this Agreement (including any extension or other amendments of this Agreement) to any person unless: (i) all Village and School District approvals have been obtained, including, if required, approval by the Village Legislature and/or the Board of Education, and (ii) this Agreement has been executed by the Village Executive or his/her designee and the Board President or his/her designee.

(b) Availability of Funds: Neither the Village nor the School District shall have any liability under this Agreement (including any extension or other modification of this Agreement) to any person beyond the funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the Village or the School District from the state and/or federal governments.

Section 12. This Agreement represents the full and entire understanding and agreement between the Village and the School District with regard to the subject matter

hereof and supersedes all prior Agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

Section 13. This Agreement shall be effective for the period July 1, 2024 to June 30, 2025, unless earlier terminated by either party, and shall be renewable on an annual basis for up to four (4) additional years upon the written agreement of the School District and the Village. Either party may terminate this Agreement, without cause, upon thirty (30) days' prior written notice. Upon termination of this Agreement, each party shall be responsible to the other party for the payment of any outstanding costs incurred up through the date of termination.

Section 14. Pursuant to General Municipal Law Section 109, the parties to this Agreement may not assign any of their rights or delegate any of their obligations under this Agreement without the prior written consent of the other party, which shall not be unreasonably withheld.

IN WITNESS WHEREOF,

VILLAGE OF BAYVILLE

By:_____ Date
Mayor of Bayville

LOCUST VALLEY CENTRAL SCHOOL DISTRICT

Appendix A
Implementation Agreement

The Village and the School District agree to the following terms and conditions for the shared municipal services listed, with the understanding that due to the emergency nature of these services the costs and duration will vary depending on situations that may arise. It is understood that The Village and the School District may decline to invoice for services provided with a value less than $100.

SERVICE	PROVIDED BY	RESPONSIBILITY	DURATION	COST
Emergency sheltering	School District	Sheltering, if necessary upon an emergency	As needed	As approved by School District Board of Education
Emergency response	School District and/or The Village	To make available any such resources as may be required upon an emergency, including personnel and equipment	As needed	As approved by the School District and/or The Village, for respective responsibilities
Heavy equipment loans and operation	The Village	Provide and operate heavy equipment if such resources are available, at such time as requested, and if The Village determines it may offer such services	As needed	At a price to be pre-approved by the School District with a signed Purchase Order
Snow and ice removal	The Village	To assist the School District at such times as requested, including provision of salt-sand	Periodically as required during snow and icy conditions	At The Village's bulk price, to be pre-approved by the School District with a signed Purchase Order
Emergency fuel supply	School District	Provide fuel to service vehicles operated by The Village when these vehicles are performing emergency services	Periodically as required during emergency situations, to be determined by the School District	At the School District's current bid price, with prior written approval from the District

Appendix B
Implementation Agreement
"Shared Services"

The Village and the School District agree to the following terms and conditions for the shared municipal services listed, with the understanding that the costs and duration will vary depending on situations that may arise.
